

COMP1035 – Lab 02: Template

A. Text Analysis in Visual Paradigm

[You pretty much have to screenshot this, because it's not considered a diagram by Visual Paradigm]

Notes/Explanations/Unanswered Questions/Most Important Details:

[Any assumptions you have made? Any questions you have to ask the client? Who is most important to talk to?]

B. Use Case Diagram

Key Information:

[Anything the reader should know before they see the diagrams?]

Diagram:

[Save the diagram as image and put it here.]

Notes/Explanations/Unanswered Questions/Most Important Details:

[Anything key information to make sure the reader sees in the diagram?]
